

## Membership Details

### Prospects for membership in Rotary

We seek to build and increase our club membership by inviting men and women who:

- Are interested in contributing to society through Rotary
- Are looked to as community leaders
- Represent a cross-section of our broader community
- Embody a sense of responsibility and professionalism along with their accomplishments
- Are caring and pleasant socially with a sense of fun and joy in life.

### Qualifications:

- 1) Work and/or live within the City of Palo Alto or an immediately adjacent city  
AND
- 2) Is, or has been, a proprietor, corporate officer/manager, an executive with discretionary authority, a practicing professional or an acknowledged community leader.

### Benefits from Membership:

- Personal enrichment and growth through development of talents and capabilities, working in conjunction with others toward common goals.
- Opportunity to meet and develop new friends in other businesses and professions.
- Learning about national, regional and local issues and other subjects through weekly Monday luncheon meetings which attract top speakers on a wide range of topics.

- Involvement in local civic and community affairs.
- Refreshing change of focus with something different from normal day-to-day activities.
- Active participation in the largest and most distinguished service organization in the world.

Additional reasons for membership can be found at the following link:
